

FROM OUR PRIMARY CARE AND SPECIALTY PRACTICES TO OUR ENDOSCOPY GROUP TO OUR SLEEP CENTER, OUR MISSION IS ALL THE SAME—TO DELIVER THE BEST QUALITY HEALTHCARE IN THE COMMUNITY. IT'S IN EVERYTHING WE DO—FROM THE MANNER IN WHICH WE DELIVER SERVICES TO OUR STATE-OF-THE-ART TECHNOLOGIES TO ALL THE DETAILS WE BUILD INTO OUR SERVICES:

- State-of-the-art, private and comfortable office settings
- Complete and comprehensive services, including laboratory and radiology
- Flexible appointments and easy scheduling
- Free, off-street parking and easy access by MBTA
- Easy payments, accepting most major insurance

All BU Medical Group physicians hold faculty appointments at Boston University School of Medicine and are board-certified in their specialties. They are among the most skilled in the region, each dedicated to bringing our patients the highest quality care to meet their individual needs in a compassionate and comfortable environment.

## PRIMARY CARE AND SPECIALTY PRACTICES

---

Putting ideals, advances and the best evidence into practice.

The BU Medical Group's Primary Care and Specialty Practices are committed to creating positive experiences for our patients using the best and latest technologies and best practices. The primary care practice sees over 10,000 patients and is led by Medical Director Steven Abreu, M.D.

The physicians at BU Medical Group's Primary Care and Specialty Practices provide a broad variety of adult services including:

- Primary Care
- Ear-Nose-Throat
- Allergy
- Laboratory Services
- Podiatry
- Women's Health
- GI Services

---

For more information on our Primary Care and Specialty Practices, please call 617-414-6800.

## ENDOSCOPY CENTER

---

Cutting edge technology with extraordinary care.

Our state-of-the-art Endoscopy Center is a comprehensive outpatient surgical facility providing a full range of endoscopic gastrointestinal procedures ranging from urgent cases to follow-up care. Our physicians are certified by the American Board of Gastroenterology and led by Medical Director Christopher Huang, M.D. Our specialized nursing staff is highly trained and is A.C.L certified.

Our facility offers the highest level of quality, technology, comfort, privacy and convenience — before, during and after examinations. We offer:

- Procedure rooms equipped with state-of-the-art equipment
- Recovery rooms designed for maximum comfort and privacy
- A guarantee we meet or exceed all federal and state licensing requirements
- Convenient services that are all performed on an outpatient basis
- Streamlined admissions and discharge processes so you get home quickly

---

For more information on the Endoscopy Center, please call 617-414-6600.

## SLEEP CENTER

---

Combining technology and expertise with personalized treatment

Our sleep center is a state-of-the-art facility accredited by AASM. We diagnose and treat sleep disorders, with specific expertise in obstructive sleep apnea, primary snoring, sleep disordered breathing in the setting of lung disease or pulmonary hypertension and other types of sleep disordered breathing.

Our facility is headed up by Medical Director Terese Hammond, M.D. and her highly trained staff and is managed by Sleep Health Centers—nationally known for its expertise in managing sleep medicine programs. Our state-of-the-art center boasts:

- 6 spacious beds
- Cable TV for our patients' viewing pleasure
- Free overnight parking
- Handicapped accessible showers
- Weekly full-service PAP clinic

---

For more information on the Sleep Center, please call 617-414-6640.
