Founded by Dr. Steve Parker

Primary Care Services

CCP is a pediatric primary health care program with special services, including:

- ❖ Pediatric Primary Health Care
- ❖ Preventive Health Care
- ❖ Case Management
- ❖ Advocacy
- ❖ Subspecialty Consultations
- ❖ Family Support
- ❖ 24-hour On-Call

Population

CCP serves children with developmental disabilities and/or complex, medical conditions, ages 0-18

Supportive Services

CCP provides families with teaching and advice on technical care. We will ensure you receive all needed home-based services.

Health Care Quality Assurance

CCP ensures that your child's health care is appropriate and thorough. We practice state-of-the art developmental disabilities medicine, with an emphasis on holistic family centered care.
