ADULT CCS

COMMUNITY CRISIS STABILIZATION

**85 East Newton St
Boston, MA 02118**

**CCS Intake: 617.414.8316
Crisis Hotline: 1.800.981.4357**

The Adult CCS is part of Boston Medical Center’s Community Behavioral Health Center (BMC CBHC) and provides 24-hour voluntary short-term care.

About

- We serve individuals age 18 and older.
- Our unit is a staff-secured and safe treatment program that provides crisis intervention over a five-day stay.
- We offer short-term care for individuals with mental health needs and co-occurring substance use disorders.
- Referrals can be made 24/7/365.

CCS Services

- Group therapy
- Medication management by licensed prescribers
- Crisis intervention
- Future crisis prevention planning
- Discharge planning
- Community care coordination
