"... so the reason I had, um, chose this photo was because, like, if I were to, like, ever to use, like, drugs and I -- if I want to do it safely, I, like, want to be around a family member. And, obviously, I [would] just [tell] my sister because I feel more comfortable with her... I talk[] to her about everything... [having this kind of relationship] ... it's, like, kinda like the buddy rule... It makes me feel secure because, like, I know that, like, you know, she won't go off and, like, tell my business or, like, judge me for it..."
