

*The Parent Leadership in Autism Network (PLAN) is an initiative of the Boston Medical Center Autism Program in partnership with TILL Autism Support Center. PLAN is comprised of a diverse and multilingual group of trained parent leaders who offer peer support to caregivers who have children/adolescents of any age with an Autism Spectrum Disorder. Referred matched parents are supported around various issues such as a new diagnosis, community resources, communication strategies, picky eating, school services and more. This program is free and open to anyone in the community regardless of where they receive their medical care. We have parent who speak **Spanish, Cape Verdean Creole, Vietnamese, Mandarin, Arabic, French, Tagalog, Swahili and Kikuyu.***
