

## **Career & Jobs**

Your career and job is what fills most of your waking hours. It's how you get paid. It's important to find a job or career that excites you, or you enjoy.

You started with the self-assessment to make sure that you don't get stuck in a job that's not right for you. Now let's find some jobs for you to apply, interview for, and secure.

Remember that hardly anyone gets their dream job for their first job, but it's always a good goal to make each new job better than the last.
