### **Chocolate-Pumpkin Cupcakes**

**Makes 24 servings**

**It might sound weird but this is a very fudgy, chocolaty cupcake and you will hardly taste the pumpkin**

1 box dark chocolate cake mix  
15 ounce canned pumpkin  
½ cup water  
2 tablespoons powdered sugar

Blend all ingredients together using a mixer or whisk for 2 minutes, until lump free.

Bake at 350 degrees in muffin tins for 30 – 35 minutes. Cool.

Garnish with sifted powdered sugar.

**Note:** This recipe is also delicious using a spice cake or vanilla cake mix with 1 tsp of pumpkin spice for added flavor.
