

BOSTON MEDICAL CENTER

ATTACHMENT A

PROVIDER LIST

Boston Medical Center's ("BMC") Financial Assistance Policy ("FAP") shall apply to emergency or other medically necessary care provided at BMC hospital locations, including those Community Health Center (CHC) locations listed in Section I.C of the FAP. The FAP does not apply to the professional fees billed by listed providers for care provided outside of a BMC or CHC facility listed in Section 1.C of the FAP.

The following list identifies the names of all physicians, practice groups, and other third-party providers who deliver emergency or other medically necessary care in the BMC and CHC locations, whether or not such care is covered under the BMC's FAP and/or Health Safety Net (HSN). For those providers listed with a "NO" in the column labeled "Coverage Under FAP" they do not follow the BMC FAP. You will be billed separately by those providers.

This listing will be updated on a quarterly basis.
