Vaccine Compliance List: Volunteers

As part of the medical clearance process, all volunteers are required to provide proof of current vaccinations. **Below is a list of vaccinations that will need to be submitted to satisfy your health clearance**. Please bring a copy of these records with you to your pre-clearance appointment at the Working Well Clinic. To schedule a health clearance appointment, please call 617.638-8400 during clinic hours: Monday-Friday 7:30 a.m. -4:00 p.m.

If you do not have a current copy or are unable to obtain any/all of the documentation listed, we will administer the necessary tests and vaccinations. For the health and safety of our patients and employees, you cannot be cleared to start until all of the health clearance requirements have been satisfied.
